

NOTICE TO PROPERTY OWNERS
MARCH 23, 2023

The Long Beach Water Management District is providing notice herein that the United States Army Corps of Engineers will be commencing canal improvement work along Canal 2/3 in the City of Long Beach, between Espy Avenue and Harvest Lane. This work is anticipated to begin on or about April 3, 2023, to include installation of culverts, improvements to low water crossings, and other general canal improvements. The time frame for this project is anticipated to be a period of 60 to 90 days for completion.

Any questions or requests for additional information may be directed to Stacey Schultz with the law firm of Dukes, Dukes, Keating & Faneca, P.A. at 228-868-1111.
